CUSTOMER SUPPORT

3-year warranty with free replacements

Who It Is For

-  Users needing 8 hours of continuous VR play
-  Gamers requiring adjustable head strap support
-  Those prioritizing durable eco-friendly materials
-  VR enthusiasts needing lightweight portability

Who It Is Not For

-  Owners of non-Meta Quest 2 devices
-  Users needing less than 8 hours of battery
-  Individuals with specific material preferences
-  Those without warranty support needs

Trade Offs to Consider

- Limited to Meta Quest 2 compatibility
- Heavier than standard head straps
- No built-in charging port
- Requires separate case for storage

How It Compares

- Longer battery life than standard head straps
- More adjustable than fixed headbands
- Durable materials vs. cheaper alternatives
- Portable design vs. bulkier accessories

Choose This If...

- ✓ Need extended playtime for VR sessions
- ✓ Require adjustable support for different head sizes
- ✓ Prioritize durable eco-friendly construction
- ✓ Want lightweight portable design

Skip This If...

- ✗ Need shorter battery life for quick sessions
- ✗ Require non-adjustable strap design
- ✗ Have specific material preferences
- ✗ Don't need warranty support
