

Chofit Garmin Forerunner 965 Soft TPU Case

QUICK BUYER GUIDE

Ideal for users seeking durable, lightweight protection for their Garmin Forerunner 965 smartwatch

At a Glance Specs

COMPATIBILITY

Fits Garmin Forerunner 965 only

MATERIAL

TPU for soft, flexible protection

FIT

Fits snugly without obstructing buttons or sensors

WEIGHT

Lightweight design (0.317 oz) for minimal bulk

PROTECTION

Protects edges from scratches and impacts

DESIGN

No screen protector included, covers only edges

Who It Is For

-  Users seeking durable, lightweight protection
-  Those needing easy installation without removing strap
-  Active individuals needing edge protection
-  Wearers wanting to avoid screen damage
-  Users preferring no screen protector
-  Those looking for a non-bulky design

Who It Is Not For

-  Users needing screen protection
-  Those with larger wrists
-  Preference for rigid cases
-  Wearers wanting a heavier feel
-  Users requiring a screen protector
-  Preference for bulkier design

Trade Offs to Consider

-  No screen protection included
-  Slight bulk despite lightweight design
-  Potential touch sensitivity issues if not cleaned

Users Say

● POSITIVES

- ✓ Soft TPU material feels comfortable
- ✓ Easy to install without disrupting watch function
- ✓ Effective edge protection without screen interference

● COMPLAINTS

- ⚠ No screen protector included
- ⚠ Touch sensitivity may degrade with moisture
- ⚠ Limited compatibility with other models

How It Compares

- No screen protector included (unlike some cases)
- Lightweight design (compared to rigid cases)
- Fits only Garmin Forerunner 965 (not universal)

Choose This If...

- ✓ Protects edges from scratches and impacts
- ✓ Lightweight design for minimal bulk
- ✓ Easy installation without removing strap

Skip This If...

- × No screen protection included
- × Slight bulk despite lightweight design
- × Potential touch sensitivity issues if not cleaned
