

Houflody 3-in-1 Foldable Wireless Charger for Google Pixel Phones & Buds Pro 2

QUICK BUYER GUIDE

Ideal for users needing a versatile wireless charger for multiple Pixel devices and Buds Pro 2

At a Glance Specs

CHARGING COMPATIBILITY

Supports Pixel 9 Pro, 8 Pro, 7 Pro, and Buds Pro 2

POWER OUTPUT

Delivers 18 watts at 9 volts for fast charging

DESIGN

Foldable stand with USB Type C connector

PORTABILITY

Compact size fits in pockets or bags

STAND FUNCTION

Stable base for phone charging and viewing

CERTIFICATIONS

Qi-certified for wireless charging standards

INCLUDED ACCESSORIES

Comes with USB Type C adapter and stand

WEIGHT

11.3 ounces for easy handling

Who It Is For

Users with multiple Google Pixel devices

Those needing a portable charging stand

Owners of Pixel Buds Pro 2

People prioritizing Qi-certified charging

Who It Is Not For

Owners of Pixel 9 Pro Fold

Users requiring higher wattage charging

Those needing wall mount compatibility

People with non-Qi device models

Trade Offs to Consider

- Limited to Qi-standard charging protocols
- No fast charging support for Pixel 9 Pro
- Foldable design may reduce structural rigidity
- USB Type C port requires adapter
- No built-in cable management system
- Stand function lacks adjustable angles

How It Compares

- More compact than multi-port wall chargers
- Fewer ports than desk charging stations
- Simpler than smart charging hubs
- Less versatile than universal phone docks
- More durable than foldable phone stands
- Fewer features than premium wireless pads

Choose This If...

- ✓ Need charging stand for multiple Pixel devices
- ✓ Want portable Qi-certified wireless charging
- ✓ Require foldable design for travel convenience
- ✓ Own Pixel Buds Pro 2 needing synchronized charging

Skip This If...

- ✗ Need higher wattage charging for Pixel 9 Pro
- ✗ Require wall mount compatibility
- ✗ Own Pixel 9 Pro Fold
- ✗ Need cable management features
