

## MVBOONE Watch Charger Cable12 for Google Pixel Smartwatch - White

### QUICK BUYER GUIDE

Ideal for Google Pixel Smartwatch users needing a durable, fast-charging USB cable with magnetic connectivity

## At a Glance Specs

---

### CONNECTOR TYPE

**USB Type-A connector with magnetic attachment**

### COMPATIBILITY

**Specifically designed for Google Pixel Smartwatches**

### COLOR

**White cable with white housing**

### CABLE LENGTH

**3.3 feet for extended reach**

### INPUT VOLTAGE

**5 volts for standard charging**

### AMPERAGE

**2 amps for faster charge speeds**

### MATERIAL

**ABS + TPE housing with copper wiring**

### PROTECTION

**Over-voltage and over-current safeguards**

## Who It Is For

---

-  Google Pixel Smartwatch owners
-  Travelers needing portable charging
-  Users seeking fast charge speeds
-  Those prioritizing stable connections

## Who It Is Not For

---

-  Owners of non-Google Pixel smartwatches
-  Users requiring multiple USB ports
-  Those without a compatible smartwatch
-  Individuals needing longer cable lengths

## Trade Offs to Consider

---

- Limited to Google Pixel Smartwatches
- Single USB port for charging
- 3.3FT length may be too long for some
- No data sync features included

## How It Compares

---

- Fewer ports than multi-device cables
- Less versatile than universal chargers
- No built-in data sync features
- Not compatible with other smartwatch models

## Choose This If...

---

- ✓ Need Google Pixel Smartwatch charging
- ✓ Prioritize fast and stable charging
- ✓ Seek a compact, portable design
- ✓ Value built-in safety protections

## Skip This If...

---

- ✗ Require multiple USB ports
- ✗ Own a non-Google Pixel smartwatch
- ✗ Need data sync capabilities
- ✗ Prefer universal compatibility
