 **PROTECTION**
360-degree full coverage

 **DESIGN**
Precise button access cutouts

 **PACKAGE**
4 cases with clear color options

Who It Is For

- ✓ Users needing scratch-resistant smartwatch cases
- ✓ Active users who work out regularly
- ✓ Those requiring easy installation without band removal
- ✓ Owners of Fitbit Sense 2 or Versa 4 models

Who It Is Not For

- ✗ Owners of Fitbit Versa 3 or older models
- ✗ Users needing water-resistant cases
- ✗ Those requiring multiple color options
- ✗ Individuals needing single-case purchases

Trade Offs to Consider

- Not water-resistant requires drying after exposure
- Limited color options available
- Installation requires careful handling
- 4-pack may be more than needed

Users Say

● POSITIVES

- ✓ Scratch resistance works as described
- ✓ Easy to install and remove without band removal

● COMPLAINTS

- ⚠ Water exposure affects touch responsiveness
- ⚠ Requires frequent cleaning to maintain performance

How It Compares

- Includes 4 cases vs single-case options
- TPU material vs rigid plastic alternatives
- Precise cutouts vs generic button access
- Clear color only vs multi-color options

Choose This If...

- ✓ Need protection for Sense 2/Versa 4 models
- ✓ Want easy installation without band removal
- ✓ Require 4-pack quantity for multiple devices
- ✓ Prioritize scratch resistance over water resistance

Skip This If...

- ✗ Need water-resistant protection
- ✗ Own older Fitbit models
- ✗ Require color variety
- ✗ Only need single-case purchase
