

Poyiccot Garmin Epix Gen 2 Tempered Glass Screen Protector

QUICK BUYER GUIDE

Garmin Epix Gen 2 users needing durable, scratch-resistant screen protection

At a Glance Specs

COMPATIBILITY
Works with Garmin Epix Gen 2 Smartwatch

MATERIAL
9H hardness tempered glass

COVERAGE
2.5D full touchscreen protection

INSTALLATION
Easy apply with suction cup tool

PACKAGE
Includes 2 protectors and cleaning tools

CLARITY
HD clear with anti-fingerprint coating

Who It Is For

-  Need durable screen protection
-  Value 9H scratch resistance
-  Want full touchscreen coverage
-  Require easy installation process

Who It Is Not For

-  Own non-Garmin Epix Gen 2 models
-  Require thicker glass protection
-  Don't want installation steps
-  Need wireless charging compatibility

Trade Offs to Consider

-  2-pack offers extra protection vs single unit
-  Installation requires careful steps
-  Thinner glass vs thicker alternatives
-  Clarity may reduce touch sensitivity

How It Compares

- Offers 9H hardness vs standard 6H
- Includes 2-pack vs single unit
- Full coverage vs partial protection
- Easier installation vs no tools required

Choose This If...

- ✓ Need screen protection for Garmin Epix Gen 2
- ✓ Value 9H scratch resistance
- ✓ Want full touchscreen coverage
- ✓ Require easy installation

Skip This If...

- ✗ Need thicker glass protection
- ✗ Don't want installation steps
- ✗ Own non-compatible device models
- ✗ Prioritize wireless charging
