Who It Is For

Own Garmin Epix Gen 2 smartwatch

Need durable charging solution

Travel frequently with device

Require over-voltage protection

Seek warranty support

Who It Is Not For

Use non-USB-C devices

Need faster charging speeds

Prefers wireless charging

Require multiple USB ports

Need compact design

Trade Offs to Consider

- Limited to single USB port
- No wireless charging capability
- Requires USB-C port
- Not suitable for older Garmin models
- Warranty limited to one year

How It Compares

- Basic USB-C charging with no advanced features
- No wireless charging capability
- Single USB port only
- Standard over-voltage protection
- Included warranty is one year

Choose This If...

- ✓ Need reliable charging for Garmin Epix Gen 2
- ✓ Have USB-C port available
- ✓ Require one-year warranty
- ✓ Travel with device regularly

Skip This If...

- × Need wireless charging
- × Require multiple USB ports
- × Seek faster charging speeds
- × Prefer compact design
