Protective case cover only

Who It Is For

- ✓ Users wanting to change watch color without buying new
- ✓ Those needing screen protection for 265S
- ✓ People seeking sleek, lightweight design
- ✓ Individuals needing multiple color options

Who It Is Not For

- ✗ Users with Garmin Forerunner 265
- ✗ Those requiring full watch case
- ✗ People wanting bulkier wrist profile
- ✗ Customers needing different materials

Trade Offs to Consider

- No strap or watch included
- Limited to 265S model only
- Screen protector may require frequent cleaning
- Color options are fixed

How It Compares

- Better than generic cases with screen protection
- More customizable than single-color options
- Lighter than bulkier protective cases

Choose This If...

- ✓ Want customizable watch color
- ✓ Need screen protection for 265S
- ✓ Prioritize lightweight design
- ✓ Want multiple color options

Skip This If...

- × Need 265 model compatibility
- × Require full watch case
- × Want different material options
- × Need additional straps or watches
