1 wall charger + 2 USB cables

WARRANTY
No explicit warranty mentioned

Who It Is For

- ✓ Users needing fast charging for Fitbit or Pixel Watch
- ✓ Travelers requiring portable charging solution
- ✓ Owners of multiple smartwatches
- ✓ Those prioritizing safety features

Who It Is Not For

- ✗ Users requiring 10W or higher charging
- ✗ Owners of non-compatible smartwatches
- ✗ Expecting warranty coverage

Trade Offs to Consider

- Slower than 10W fast chargers
- No warranty included
- Limited to specific smartwatch models

How It Compares

- Faster than standard USB charging
- Less powerful than 10W chargers
- Fewer ports than multi-device hubs

Choose This If...

- ✓ Portable for travel or daily use
- ✓ Safe charging for sensitive devices
- ✓ Durable for frequent use

Skip This If...

- ✗ Skip for users needing 10W charging
- ✗ Skip if warranty is important
